

# INVOCATION AND BENEDICTION

## West Point Founders Day Banquet

### Invocation

Almighty King, Lord of All, whose Name is every name, you are the seer, you are the seen and you are the sight.

See now this Assembly and fill our hearts with thoughts of you.

See now also our beloved United States Corps of Cadets and United States Military Academy and fill their hearts and her grounds with zeal for accomplishing your wish.

See too this nation and fill her heart and all her lands with triumph of good things.

In the Name of our Savior we pray, Amen.

## **Benediction**

Lord and Savior,

Thank you for refreshing us with food for body, mind and spirit.

We go now to do our work, rededicated to our sacred principles of Duty Honor Country and saturated in the resplendent dignity of our profession.

Pour your blessing on the Long Gray Line, that we may stand ever steady in the storm, tender in the garden and gracious in the victory.

In the name of our Savior we pray, Amen.
