

# Fundamentals Of World Peace

The Rev. David R. Graham

Adwaita Hermitage

01 December 2002

For the peace, progress and prosperity of the world, these entities must be rooted out from the lands they control and decimated:

1. The Roman Curia
2. The Shiite Aytollahnate
3. The Hassidic Rabbinate

The lands these entities control must then be parceled out as the property of nations who will administer them in consonance with human values.
