Oath Of Office

By The Rev. David R. Graham

The **Oaths of Office** of the other **Uniformed Services of the United States** are essentially the same as this one, quoted above, for Officers of the United States Army.

Foreign and domestic enemies of the Constitution of the United States of America occupy the White House, much of the local, state and federal judiciary and leadership positions of the current majority political party of both Houses of the Congress of the United States of America.
