The North American countryside seethes with impatience.

Afro-Mohammedan Imperialists are impatient to slaughter “Whites,” Jews, Koreans, Christians, Hindus and Baha’is.

Everyone else is impatient for them to get to it.

The nations have their academic faculties to thank for this turn of events, spearheaded by those of law, physics and theology.

The Forth Railway Bridge is a cantilever railway bridge over the Firth of Forth in the east of Scotland, to the east of the Forth Road Bridge, and 14 kilometres (9 mi) west of central Edinburgh. The bridge connects Scotland's capital city with Fife, and acts as a major artery connecting the north-east and south-east of the country.
